

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH3663SW

This certificate issued to Metro Aviation, Inc.
1214 Hawn Avenue
Shreveport, LA 71107

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H3EU
Make: Eurocopter Deutschland GMBH (ECD)
Model: BO 105C, 105S, LS A-1

Description of Type Design Change:

Installation of emergency medical system in accordance with Metro Aviation Drawing List DL-105M-A, Rev. G dated January 26, 1995, or later FAA approved revision.

Limitations and Conditions:

1. RFM supplement dated April 20, 1995, or later FAA approved RFM is required.
2. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 30, 1986

Date reissued: December 20, 2007

Date of issuance: October 24, 1986

Date amended: 5/20/87; 5/31/95; Rev. 2
